COURT NOTICE/ORDER/RULING

STATE OF ARIZONA,
Plaintiff,

vs.

CASSLYNN MAE WELCH,
Defendant.

No. CR-2010-00821
No. CR-2010-00836

The Court understands that the Defendant has now been returned from federal custody in New Mexico to the Mohave County Jail. The Court had previously signed an Order that the Defendant be returned by no later than February 20, 2015, and had set a Status Hearing on that date. The Court further understands that it is probably the desire of everyone to have the Defendant sentenced and returned to federal custody as soon as possible. There is no reason to wait until February 20, 2015, to get that process moving. The Defendant pled guilty pursuant to a plea agreement on April 12, 2011, and the parties agreed to defer sentencing and the preparation of a presentence report until requested by the parties. It is clear that the time has now come to finish this case.

IT IS ORDERED directing the Probation Department to prepare a presentence report in this case.
