VIRLYNN TINNELL CLERK  
SUPERIOR COURT CLERK

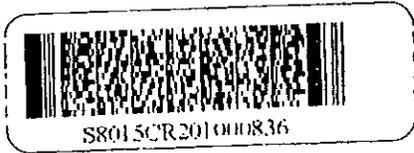

COURT NOTICE/ORDER/RULING

STATE OF ARIZONA,  
Plaintiff,  
  
vs.  
  
CASSLYNN MAE WELCH,  
Defendant.

No. CR-2010-00821  
No. CR-2010-00836

The Court has been contacted informally by the Clerk's Office and asked about the status of these cases. Upon review of the files, the Court notes that the last activity in these cases was a Status Conference on June 20, 2014, at which no formal Orders were entered and the Clerk was not directed to bring these files to the Court's attention at any specific time or upon the occurrence of any particular event in the future. The Court understands that there are proceedings probably still pending in the federal case in New Mexico and that many of the attorneys involved in these local cases are aware of those proceedings. The Court's concern is that it could never see these files again and there are no Orders in effect to prevent that from happening.

IT IS ORDERED directing any counsel so desiring to file a pleading in these cases by no later than September 29, 2014, advising the Court of the status of these cases and what reasons, if any, exist for being unable to return the Defendant to this jurisdiction and sentence her in accordance with the plea agreement she entered into on April 12, 2011.

*m*

IT IS ORDERED directing the Clerk to bring these files to the Court's attention on October 3, 2014, at which time it will enter whatever further Orders it deems appropriate.
